

## Help 150 kids experience the magic of Camp Jenny

### What is Camp Jenny?

---

For over 30 years, Camp Jenny has supported children from Atlanta with fun, meaningful programming, the love of "big brothers and sisters," and encouragement for the future. Typically the program culminates in a 4-day camp experience at the URJ's Camp Coleman over Memorial Day Weekend. For the 2020-2021 school year, Camp Jenny will offer virtual experiences for the students at FL Stanton Elementary School throughout the spring semester. Each month students can participate in fun, dynamic programming created and led by our Camp Jenny teen leaders. Students receive boxes filled with supplies and surprises throughout the semester to be used during programming, as our teen staff guide them through meaningful activities they can enjoy from home.

### Who are the campers?

---

Camp Jenny partners with F.L. Stanton Elementary School, which is part of the Atlanta Public School system. Campers are selected based on their achievements during the school year in 4 categories that spell the word CAMP: C: Come to school, A: Awesome attitude, M: Make an effort, and P: Parent participation. Throughout the year, Camp Jenny teens and adults visit the school and run assemblies to motivate the students to "earn their spot on the bus." Camp Jenny also assists with a tutoring program in March and April to help students prepare for important system-wide testing. According to the F.L. Stanton principal, Camp Jenny has helped the school **make measurable gains in both attendance and test scores!**

### Who are the camp staff?

---

NFTY teen volunteers, alumni, and adult volunteers run every aspect of Camp Jenny. Each year, NFTY-SAR and NFTY-STR each elect a social action vice president, and those two teens serve as the co-directors for the next Camp Jenny. They oversee a highly competitive application process, and then work with over 100 teens who serve as counselors, specialists, and leadership staff to both plan and execute Camp Jenny. The teens are joined by around 100 adults—alumni of our programs, former co-directors, and youth professionals, who mentor the teens and coach them through the entire experience. Both the teens and adults are empowered and inspired by the lasting impact they make on these children's lives.
